

AN EXPOSITION OF Dress Goods and Trimmings!

What are the newest fabrics in Dress Goods? That's what many are asking. Come to this Exposition and read the answer in the most beautiful display of fashionable Dress Fabrics Barre has ever seen. Exclusive high-class novelties—many of them imported. All the staple weaves and colors. By far the largest, finest and most varied collection of Dress Goods that we have ever shown. **YOU ARE CORDIALLY INVITED.**

The Vogue in Stripes and Checks

Decidedly the newest effects yet. Exquisite plaid, overplaid and shadowy plaid designs are shown in a good variety.

Smoothness, Softness and Lightness of the Fabrics.

While they have the rich, heavy appearance desirable in weaves for Winter wear, they are not heavy.

Materials for Waists

The popularity of Colored Waists is now an assured fact. Delightfully soft All-wool French Flannels, plaid effects in clear, beautiful colorings and solid colors in a good variety of weaves show our preparedness to meet this demand.

For the Children's Wear

Unusual preparations have we made for the dressing of the girls. Beautiful color combinations are shown in plaids and decidedly girlish effects in plain and shadow checks.

\$1.00 All-wool Crispine Now 75c A 48-inch All-wool Crispine, a most excellent material for service in a skirt or suit. Decidedly a saving opportunity to get goods of this high class at 75c a yard.

Dress Trimmings and Braids Show Rich, New Beauty.

The new Dress Trimmings are so full of clever, novel beauty that it's easy to achieve the effect of almost a model Parisian gown with their use. The fillet net is quite pronounced. Exquisite All-overs with bands and edges, with heavy embroidery on the fillet net. Rich Appliques have fillet set in designs which are especially effective in black.

Oriental effects in bands heavily embroidered in silk in exquisite colorings are very noticeable in our assortments. Some of these show a rich note of velvet. Then, too, are the rich, heavy Braids for the edges of coats.

But come and see all this new trimming beauty for yourself. A superb assortment here of the new fashionable effects. Planning your Winter outfit will be much easier with the suggestions they offer.

Queen Quality

We want you to see the new Shoes we are now showing. Never were Shoes handsomer, better fitting nor comparable with them for real value. It is logical that "QUEEN QUALITY" Shoes outsell all other Women's Shoes in the world. An intelligent public is looking more and more to big trademark names for security. Can the maker afford to stamp "QUEEN QUALITY" on any Shoe that would discredit the make? You know it stands for your protection. Prices \$3.00, \$3.50 and \$4.00.

Mr. and Mrs. Harry Sargent of Barre were in this city Wednesday evening, arriving on the 8:30 car, and going back on the 9:30 engaged in an anxious search for Zilla, their 16-year-old daughter, who is said to have been absent from home for something like ten days, says the Montpelier Argus. They did not succeed in locating her here, although it is stated that the girl had been riding back and forth on the electric almost every day. She was seen here Tuesday, and is said to have been here Wednesday as well. Mr. and Mrs. Sargent are beginning to get a little bit worried.
